

## REMARKS

Claims 1-7, 9, 10, and 12 are presently pending and stand rejected. Claims 8 and 11 are cancelled without prejudice.

Claims 1 and 4 were rejected under 35 U.S.C. § 102(e) as being anticipated by Nallur. Claim 1 is amended to recite, among other limitations, "displaying the first one or more pictures in reverse from play order, while storing the first decoded reference picture, wherein the first decoded reference picture is an entry point picture". Claim 4 is amended to recite, among other limitations, "wherein the first decoded reference picture is an entry point picture, and wherein the first decoded reference picture is stored while displaying the first one or more pictures".

Examiner has indicated, with regards to claim 8 and 11, that "Nallur discloses wherein the first decoded reference picture further comprises an entry point picture (Nallur: column 7, lines 20-35)". Assignee respectfully traverses the rejection and submits that column 7, lines 25 teach "The entry point for playback is relative to the beginning of the **compressed** video presentation stored in storage device 273." In contrast, claims 1 and 4 recite, "displaying the first one or more pictures in reverse from play order, while storing the first decoded reference picture, wherein the first decoded reference picture is an entry point picture" and "wherein the first decoded reference picture is an entry point picture, and wherein the first decoded reference picture is stored while displaying the first one or more pictures", respectively.

**Conclusion**

For at least the foregoing reasons, it is respectfully submitted that each of the pending claims are in a condition for allowance. Accordingly, Assignee respectfully requests that Examiner pass this case to issuance.

The Commissioner is hereby authorized to charge any fees for any actions requested herein to deposit account no 13-0017.
